Games Against Hunter

ISHS vs HSHS at Pymble

It was great to give our girls an opportunity to play another school, especially as we are a developing side. I really appreciated the special consideration Paula Quigley (the Hunter teacher) gave our girls. I know Skylar was very grateful for the extra attention. It was great to see her take on board the assistance and to see her improve as the game progressed. She told me after the game that she had an absolute ball!! The Hunter girls were very understanding and patient during that game in particular.

Both the games were won

by Hunter Sports. Hopefully we ISHS girls will come up with a win next time!

I was also impressed with the general attitude of the ISHS and HSHS girls. They demonstrated respect and were very friendly and professional. They represented their schools with pride.

Clinic with Margaret Corbett and game vs. HSHS at ISHS

We were fortunate enough to work with Margaret Corbett for the second time this year. Margaret ran a coaching clinic for both ISHS and HSHS TSP netball girls.

She focussed on basic ball handling skills, footwork and passing skills.

The girls were a bit shy at first but once they mingled with each other they seemed to have a great time!

We played two games against Hunter. The first game was 19-14 and was won by IHS, and the second was 10-16 and was won by HSHS.

We finished the day off with a lovely lunch of fresh sandwiches and wraps, fruit and cakes on the new school deck. The lunch was put on by the year 11 hospitality students and they did a great job!!! It was a perfect finish to a brilliant day!!!

Zone Netball Carnival

I am pleased to say that the zone netball team this year was predominantly TSP netballers!! We only had three non TPS girls (two of which are in year 12 and one who is considering joining the program).

The students in the girls knock out team were:

- Ainsley Midgley
- Alex Cassidy
- Sarah Tome
- Chelsea Bolton
- Flora Makea
- Megan Blanch
- Erin Heufel
- Tegan Grebert
- Brittany Postema—Ratcliffe

- Bianca Knight
- Jessica Collison
- Emma Sylvester

The girls did a fantastic job going into the finals undefeated!! Dapto proved to be too strong on the day. The girls put up a great fight and only lost by a few points. Both ISHS and DHS made it through to the Regional Finals on Tuesday 2nd August. The ISHS boys team were undefeated for the carnival and also made it through to the Regional Finals!

Congratulations!!!

Game against Matrville

On Thursday the 23rd of June ISHS played MSHS for the first time this year. A Elizabeth was not available for this game the ISHS girls put them self through a variety of different warm ups and training activities, including tunnel ball :-). This demonstrated maturity and initiative.

We played two games against MSHS. The first we played our B team (the Bananas).

They played really well and came up with a 31-12 win. Secondly we played our A team (the Apples). The apples played very well against the strongest MSHS team and unfortunately went down 27-14.

It was nice to play against Matrville and we look forward to playing them more often in the future.
