 - General Business
-
- Went through the principals report .
 - Kylie announced that the counsellor allowance has increased and as such we should only be without a counsellor at the school for half a day per week.
 - Parent Teacher night. Everyone thought the night was very successful. A few points made were :
 - Time limits need to be adhered to. Perhaps we need to implement a bell that rings with 1 min to go. Some people took more time which left parents either short of time or they simply missed their time slot as they then went onto the next meeting.
 - Year 8 subject selection was very successful and the teachers on the stall did a great job. Lots of positive feedback.
 - Congratulations to Naomi and Curtis. Parents and helpers were impressed to hear that both had done so well.
 - Discussed prices in regards to the new uniform and the prices would be very similar. Kylie mentioned that the \$70 woollen jumper would not be an option due to the price but a pullover jumper priced at \$30 would be for sale.
 - Meeting closed at 10am
