Nura Gili Indigenous Programs at The University of New South Wales

The [Nura Gili Indigenous Programs](#) centre is located at [The University of New South Wales](#) and is the dedicated learning and support centre for Aboriginal and Torres Strait Islander students. With over 300 enrolled Indigenous students, they are recognised as having one of the highest Indigenous student retention rates in the country. The student support team assists students to find accommodation, scholarships, transition from high school to university life, meet like-minded people and more.

Along with providing great support services, they also run a year 12 info day and a number of alternative entry pathway programs designed to give students the best start to their educational journey.

ISHS ATSI students are invited to the [Year 12 Aboriginal and Torres Strait Islander Info Day](#)

To find out more about UNSW and Nura Gili students, their family/teachers can join in at our Year 12 Aboriginal and Torres Strait Islander Info Day on Wednesday, 17 August 2016. To find out more information about their info and/or register please visit [Year 12 Aboriginal and Torres Strait Islander Info Day](#).

[Apply for our Alternative Entry Programs to gain entry into one of the best universities in Australia](#)

[UNSW Preparatory Programs](#) – Entry into Business, Education, Law, Medicine or Social Work

[UNSW Indigenous Admission Scheme](#) – All UNSW areas (except for Business, Education, Law, Medicine or Social Work. Please refer to the UNSW Preparatory Programs for these areas).

If you have any questions we can be contact on (02) 9385 3805, send an email to asknuragili@unsw.edu.au

NSW Government: Fee-Free Scholarships

Young people (aged 15 – 30) who meet the Smart and Skilled Fee-free scholarship criteria will be eligible for a government subsidy which covers their Smart and Skilled course fee. To be eligible for the scholarship, prospective students have to study a Certificate I, Certificate II, Certificate III or Certificate IV level qualification on the NSW Skills List, and be either a Commonwealth Welfare recipient or the dependent of a Commonwealth Welfare recipient.

<https://smartandskilled.nsw.gov.au/for-students/fee-free-scholarships>

The University of Sydney: Wingara Mura – Bunga Barrabugu Summer Program

15th January – 20th January, The University of Sydney, Camperdown

Applications close: 16th September

The Wingara Murra (Year 9 – 10) and Bunga Barrabugu (years 11 – 12) Summer Program, is an opportunity for Aboriginal and Torres Strait Islander students to learn about life at university by visiting the University of Sydney campus and speaking directly with academics and industry figures. Travel, accommodation and other expenses associated with the program will be paid for by the university.

<http://sydney.edu.au/indigenous-summer-program/>

ANU: Equity Accommodation Scholarships

Each year the Australian National University will offer a number of scholarships to assist students in financial need, from outside of the Canberra region, who are commencing a degree program at the Australian National University. The scholarships aim to assist students with the accommodation expenses associated with relocating to Canberra to commence at the ANU.

<http://www.anu.edu.au/students/scholarships-support/anu-equity-accommodation-scholarship>

University of Sydney: Cadigal Alternative Entry Program

This alternative entry program is for prospective indigenous students and offers two study pathways. The first of which being Cadigal, where students enter their preferred program either full or part time. The second is Pemulwuy, where students enrol in two subjects, which will count towards a Bachelor of Art, Bachelor of Liberal Arts or Bachelor or Health Sciences.

HVTC in conjunction with local host BlueScope are very excited to announce that applications have now opened for 2017 apprenticeships.

2017 Engineering- Mechanical (Fitter & Turner) Apprenticeships <http://www.hvtc.com.au/jobs>

Company:

BlueScope

Job Type:

Apprenticeship

- **2017 Commencement**
- **Opportunity to work across various industrial divisions**
- **Work within a leading steel industry company**

HVTC Illawarra in conjunction with local host employer, **BlueScope** is seeking applicants for 2017 Engineering -Mechanical (Fitter & Turner) Apprenticeships to complete a Certificate III in Engineering Mechanical

About the company

HVTC Illawarra is an expert in the employment and training of apprentices and trainees in the local region. We are well equipped to support the regions diverse range of industry.

As a division of HVTC, Australia's oldest and largest group training company, we have employed and trained more than 18,000 people over the past 30 years.

HVTC Illawarra provides mentoring and support and are seeking committed applicants who possess an enthusiasm to learn and develop new skills.

About the Host

BlueScope is a global leader in premium branded coated and painted steel products - the third largest manufacturer of painted and coated steel products globally; we have great strengths in engineered steel buildings in key markets, and are number one in building and construction markets

BlueScope Australia and New Zealand supplies a large percentage of all flat steel product sold in

these markets, employing nearly 8,000 employees at more than 50 facilities in Australia, New Zealand, Fiji, Vanuatu and New Caledonia, and over 50 distribution centres in Australia.

The steelworks at Port Kembla - in New South Wales' Illawarra region - is the largest steel production facility in Australia. With an annual production capacity of approximately 2.6 million tonnes of crude steel it manufactures slab, hot rolled coil and plate products. The steelworks, metal coating and painting lines and associated operations constitute BlueScope in the Illawarra.

About the role

HVTC Illawarra is seeking applications from motivated and career focused individuals willing to undertake a full time apprenticeship to complete a Certificate III in Engineering Mechanical (Fitter & Turner)

The successful applicant will have a desire and passion for this professional field and a commitment to undertake further studies; with full support and encouragement to develop skills to launch your career forward and gain practical experience in a well-established industry environment.

If you are a highly motivated person wishing to commence a qualification and receive workplace training this could be the position for you.

You must be eligible to complete a Certificate III Engineering-Mechanical MEM30205

Selection Criteria

Essential

- Ability to work in a team environment
- Commitment to full term of the apprenticeship and study requirements
- Demonstrate willingness to learn and develop new skills and knowledge
- Demonstrated interested/passion in the trade
- Excellent verbal and written communication and interpersonal skills
- Ongoing commitment to safety, quality and principles of continuous improvement
- Strong ability to plan work and effective time management
- Strong mathematical and mechanical aptitude
- WHS Construction White Card (or willing to obtain)

Desirable

- Current drivers licence (provisional licence accepted)
- Access to reliable transport
- Work experience in any area/s relevant to the apprenticeship

How to Apply:

To be considered for this opportunity, YOU MUST apply online at www.hvtc.com.au by clicking 'Jobs' and selecting the relevant position. We are unable to consider your application if it is not received in this way.

All applications must be completed using a unique, individual email address. Applications using a shared or family email address unfortunately cannot be accepted.

*Interested applicants MUST attach a copy of their current resume and **cover letter addressing the above selection criteria** for your application to be further considered.*

Applications Close on Midnight Sunday 28th August 2016

APPRENTICE - SPRINKLER FITTER (Fire Protection, Plumbing)

---- Who We Are ----

Southern Fire Solutions Pty Ltd is a 100% Australian owned company where technical excellence, ongoing training, and long-term direct employment are the core aims of the business.

We're made up of a dedicated team of fire suppression experts who specialize in design, installation, maintenance, and certification – from small sprinkler fit outs to large foam deluge and gas suppression systems.

Our specialists are proud to have been part of many remarkable projects from working on the US air hangar for Air Force One in the UK, through to implementing the advanced fire protection systems at the Port Kembla steel mills.

----- What We're Looking For -----

We're looking for an ambitious, punctual, and hard working person who has strong practical skills, and a good attitude. Due to the nature of the job and site locations a police check and RTA driving record check will be required

The position would ideally suit a person who has:-

- Completed a similar trade in plumbing or carpentry or other practical trades recently,
- A white card,
- Drivers licence,
- Located in the Shellharbour / Wollongong area.

---- What The Job Includes ----

The successful candidate will be working alongside a long-standing and highly regarded industry specialist working in the Fire Suppression industry and will also have a unique opportunity to experience working in distinguished areas of the trade such as Special Hazards.

--- How To Apply ---

Please provide your Resume (PDF or Word File preferred) along with a cover letter and answer the provided questions in Seek. Suitable candidates will then receive a phone interview, and final round candidates will receive an in-person interview.

SFS Social Media:

Facebook - <https://www.facebook.com/SouthernFireSolutions/>

Linkedin - <https://www.linkedin.com/company/southern-fire-solutions-pty-ltd>

(please apply through seek)

Additional questions can be sent to:

Cert III Early Childhood Education and Care

We are seeking an enthusiastic new member for our team, who is reliable, hard working and demonstrates a genuine interest in children's education. The successful candidate will have great written and oral communication skills, the ability to work in a team environment and a desire to further their education.

The position requires the candidate to complete written theory assessments, as well as demonstrate practical skills that they will learn on the job. Trainees are given time during work hours and support from experienced staff to complete their written work.

Duties include: interacting with children, devising experiences for children to participate in, supervising groups of children, learning the policies and procedures required of an early childhood education and care setting, general cleaning and communicating with families.
