The University of New England Early Entry Program

UNE's Early Entry program allows year 12 students to gain a place at UNE before ATARs are released. Selection for the program is based on an applicant's ability to work and learn independently, as well as their overall potential for academic success.

<http://www.une.edu.au/study/study-on-campus/get-early-entry/about>

Western Sydney University, Schools Recommendation Scheme 2017

Applications close 30th September 2016

The Schools Recommendation Scheme allows consideration of year 11 results, achievements and ratings to be taken into account, as well as ATAR, when applying for courses. A list of the courses available at WSU on this scheme can be found on the link below, as well as details of how to apply.

http://www.westernsydney.edu.au/currentstudents/current_students/applying_to_study/undergraduate_study/schoolsrecommendationscheme

Southern Cross Univ STAR Entry Scheme

Enables Year 12 students to gain early admission to SCU on the basis of their school principal's recommendation. Applications close: 4pm, 7 September.

<http://scu.edu.au/futurestudents/index.php/29/>

Pre-Apprenticeships Course Finder

The pre-apprenticeships course finder helps you to search for courses which can teach you skills that can lead to an apprenticeship or traineeship. You can search by where you live, the industry you are interested in and whether the course offers work experience. While there are few courses listed currently, more should come up as the year draws to a close.

<http://www.aapathways.com.au/Search/Preapprenticeships/Course-Finder.aspx>

What it's really like to do an apprenticeship

Find out exactly what is involved from real people who've recently completed apprenticeships. From cabinet making to business administration, we have close to 50 videos featuring Australian apprenticeship ambassadors on our YouTube channel.

Information for Aspiring Teachers

Literacy and Numeracy Test for Initial Teacher Education Students

New literacy and numeracy tests have been introduced for students who wish to study teaching at university.

The Australian Government has introduced a Literacy and Numeracy Test for Initial Teacher Education Students (LANTITE), effective from 2016. Education Ministers across Australia have agreed that, from 1 July, 2016, Initial Teacher Education students across Australia will need to pass a national literacy and numeracy test (LANTITE) prior to completing their course. The required benchmark in LANTITE must be met for students in NSW to be eligible for accreditation as a teacher.

- From 1 July, 2016 students completing a NSW initial teacher education course will need to have successfully met the benchmark of an approved literacy and numeracy test (LANTITE) to be eligible for Provisional Accreditation in that state.

For further information please visit the [Australian Council for Educational Research](http://www.acer.edu.au)(ACER)

website. <https://teacheredtest.acer.edu.au/>.

Apprenticeships for 2017

If you are leaving school at the end of 2016 and are hoping to find an apprenticeship or traineeship then you should consider starting your search NOW! Many apprenticeships will be advertised in the next few months and if you are not checking organisations websites, job search websites, and the press, then you may miss out.

1st Year Heavy Vehicle Apprenticeship

[Unanderra, NSW](#)

Southern Truck Centre Pty Ltd located in Queanbeyan and **Southern Truck Centre Wollongong Pty Ltd** is seeking to appoint a 1st year heavy vehicle mechanic.

Reporting to the Service Manager, you will be part of a dynamic, fast paced and professional workshop team and will have the opportunity to enjoy a long and fulfilling career with our company.

To be eligible for this apprenticeship you need to be well-presented, hardworking, punctual and have a good mechanical aptitude. You must be dedicated, willing to undergo formal as well as on the job training and commit to a 4-year apprenticeship.

This is not just a job –this is an outstanding opportunity to work with one of the best automotive brands in the world in a friendly and successful environment.

Duties include, but are not limited to:

- Assist workshop staff to ensure duties are being carried out efficiently and accurately
- Assist workshop staff with preventative workshop maintenance
- Properly maintain materials, tools and equipment
- Assist in the securing and lockup of vehicles that are under workshop control
- Assist in cleaning and keeping the mechanical workshop and surrounds tidy
- Attend and participate in all classes at an approved TAFE college as required in accordance with TAFE policies and regulations
- Attend and complete relevant on-the-job training as required
- Work towards achieving becoming a qualified Technician

To be suitable for this role, you must possess:

- Basic mechanical knowledge
- Strong verbal communication
- Ability to work independently and as part of a team
- A passion for the automotive industry

If this sounds like the opportunity, you have been waiting for please forward your resume & cover letter via e-mail to: admin@southerntruckcentre.com.au for the Wollongong position.

BUSINESS ADMINISTRATION TRAINEE

About the business and the role

LandTeam is a diversified and influential consultancy currently experiencing growth in Regional NSW. We are based in the Illawarra, Southern Highlands and Southern Tablelands and specialise in engineering, surveying, sewer and water coordination, town planning and project management.

LandTeam has an excellent company culture and is respected for its support of and provision of career paths for our employees. The enabling culture supports growth of its staff and the broader organisation.

Job tasks and responsibilities

You will commence as an entry level Business Administration Trainee in our Illawarra office where you will be required to study and complete Certificate III or IV in Business Administration. Some of the administration support duties you will learn to undertake will include: -

- General reception duties including phone calls;
- Mail management;
- Data entry;
- Local Council lodgements;
- Booking inspections and calendar management;

- Filing and scanning;
- Preparation of general correspondence/reports/emails;
- General office administration duties.

Skills and experience

Ideally the successful applicant will have: -

- Basic computer literacy skills including awareness of the Microsoft Office suite;
- Attention to detail skills;
- Effective communication skills – oral and written;
- Customer service awareness where you are pleasant in interactions with clients including a pleasant phone manner;
- The ability to work effectively as part of a team;
- A flexible and positive approach;
- A commitment and willingness to learn;
- A current drivers license;
- Be an Australia citizen or permanent resident.

For further information or to discuss this opportunity contact Lauren Goodman on 0402 345 358.

To apply email your CV with a cover letter to employment@landteam.com.au

Please note: only applicants successful for interview(s) will be contacted

2017 Illawarra Apprenticeships

HVTC Illawarra - [More jobs by this advertiser](#)

2017 Illawarra Apprenticeships

HVTC Illawarra in conjunction with local host employers are seeking applicants for Engineering **Mechanical, Engineering Fabrication and Electrical Apprenticeships** to commence from January 2017.

About the Company

HVTC Illawarra is an expert in the employment and training of apprentices and trainees in the local region. We are well equipped to support the regions diverse range of industry.

As a division of HVTC, Australia's oldest and largest group training company, we have employed and trained more than 18,000 people over the past 30 years.

HVTC Illawarra provides mentoring and support and are seeking committed applicants who possess an enthusiasm to learn and develop new skills.

About the Role

Enjoy the benefits of working with a large and diverse organisation that supports your career development, provides networking opportunities. The apprenticeships are a nominal 4 year term.

Apprenticeships are a great way to achieve your qualification whilst working closely with experienced employees and in an environment focused on safety, teamwork and leadership. If you want to pursue this rewarding employment opportunity with HVTC Illawarra and believe you have what it takes, we welcome your application.

Selection Criteria

- Ability to work in a team environment
- Commitment to full term of the apprenticeship and study requirements
- Demonstrate willingness to learn and develop new skills and knowledge
- Demonstrated interested/passion in the trade
- Excellent verbal and written communication and interpersonal skills
- Ongoing commitment to safety, quality and principles of continuous improvement
- Strong ability to plan work and effective time management
- Strong mathematical and mechanical aptitude
- WHS Construction White Card (or willing to obtain)

How to Apply:

To be considered for this opportunity, **YOU MUST apply online at www.hvtc.com.au** by clicking 'Jobs' and selecting the relevant position. We are unable to consider your application if it is not received in this way.

All applications must be completed using a unique, individual email address. Applications using a shared or family email address unfortunately cannot be accepted.

Recruitment process

The process will include several stages and may include responding to email requests to undertake online testing, interviews, reference checking and pre-employment medicals. Timely response to emails and phone calls will enable us to move through the process in a timely manner. Applicants should regularly check the nominated email account and respond to missed phone calls and voicemail messages.

Applications Close Midnight Sunday 18th September 2016

HVTC Illawarra in conjunction with local host employer, **Peabody Energy** is seeking applicants for a 2017 Electrical Apprenticeship to complete a Certificate III in **Electrotechnology** at their Helensburgh site.

About the company

HVTC Illawarra is an expert in the employment and training of apprentices and trainees in the local region. We are well equipped to support the regions diverse range of industry.

As a division of HVTC, Australia's oldest and largest group training company, we have employed and trained more than 18,000 people over the past 30 years.

HVTC Illawarra provides mentoring and support and are seeking committed applicants who possess an enthusiasm to learn and develop new skills.

About the Host

Peabody Energy is the world's largest private-sector coal company and a global leader in sustainable mining, energy access and clean coal solutions. The company serves metallurgical and thermal coal customers in 25 countries on six continents.

Thier mission is to create superior value as the leading global supplier of coal, which enables economic prosperity and a better quality of life.

Peabody Energy considers Australia to be a premier location for coal mine development and investment. Peabody has mining operations across Queensland and New South Wales, as well as active coal trading in all major Australian coal regions through Peabody COALTRADE.

Peabody's operations in Australia include a diverse product range of coal through multiple coal ports. In 2015, Peabody's Australian operations achieved total sales of 35.8 million tons primarily to steel producers in Japan, Europe, Taiwan, Korea, India and South America, as well as to electricity generators in Australia and Asia.

About the role

HVTC Illawarra is seeking applications from motivated and career focused individuals willing to undertake a full time apprenticeship to complete a Certificate III in Electrotechnology (Electrician)

The successful applicant will have a desire and passion for this professional field and a commitment to undertake further studies; with full support and encouragement to develop skills to launch your career forward and gain practical experience in a well-established industry environment.

If you are a highly motivated person wishing to commence a qualification and receive workplace training this could be the position for you.

You must be eligible to complete a Certificate III Electrotechnology UWW30811

Selection Criteria

Essential

- Ability to work in a team environment
- Commitment to full term of the apprenticeship and study requirements
- Demonstrate willingness to learn and develop new skills and knowledge
- Demonstrated interested/passion in the trade
- Excellent verbal and written communication and interpersonal skills
- Ongoing commitment to safety, quality and principles of continuous improvement
- Strong ability to plan work and effective time management
- Strong mathematical and mechanical aptitude
- WHS Construction White Card (or willing to obtain)

Desirable

- Current drivers licence (provisional licence accepted)
- Access to reliable transport
- Work experience in any area/s relevant to the apprenticeship

How to Apply:

To be considered for this opportunity, YOU MUST apply online at www.hvtc.com.au by clicking 'Jobs' and selecting the relevant position. We are unable to consider your application if it is not received in this way.

All applications must be completed using a unique, individual email address. Applications using a shared or family email address unfortunately cannot be accepted.

Interested applicants **MUST** attach a copy of their current resume and **cover letter addressing the above selection criteria** for your application to be further considered.
